*Sir,*

In connection with the special work undertaken in the Public Health Institute for a systematic analysis of samples of - - water taken from wells and other sources of supply in towns and - - villages some considerable expenditure is expected to be incurred on account of the cost of despatch of samples to the Public Health Institute. I have the honour to request that general sanction may be accorded to such charges being met out of the provision under Cholera and other Epidemic charges' in the several District and Municipal Budgets. For the present samples from the Bangalore - - District will be taken up for examination and as soon as this - - District is completed the remaining districts will be taken up one after another.
